# Tea

## Black Tea

### Himalayan Hand Rolled

*Jun Chiyabari Estate, Nepal*

A black tea, meticulously hand rolled to maximise the sweetness and subtlety. This very rare Nepali tea comes from a tiny and exquisite estate which produces just a few kilos of some of the finest tea in the world. Elegant, floral and remarkably notes of dark chocolate.

Best enjoyed without milk.

## Green Tea

### Emerald Green

*Fanjing Mountain, Guizhou Province, China*

The leaves are painstakingly pan fired into their distinctive shape in small batches, a process that takes over seventeen hours, resulting in an extraordinarily fine green tea. Soft hay with notes of apricots and an elegant and lingering buttery finish.

## White Tea

### Jasmine Silver Tip

*Fuding, Fujian Province, China*

A delicate white tea crafted entirely from spring buds.

The tea is not flavoured but carefully scented over six consecutive nights with fresh Jasmine flowers. Once the preserve of the Chinese Imperial family.

A deep and heady aroma with a light and gentle flavour.

## Herbal Infusions

### Tarragona Almond Blossom

*Terres D'Elba, Tarragona, Spain*

Beautiful blossom grown on a rocky hillside where olives and carob trees grow amongst the Marcona almonds, beside deep, fragrant orange groves. Each flower is picked individually then carefully air dried on a muslin bed to prevent the blossoms from bruising. Farmed organically and tenderly by Ferran Rojo Sol. The flavour is deep and heady. Almonds and honey with a delicious note of globe artichoke.

## **Malawi Spearmint**

*Satemwa Estate, Shire Highlands, Malawi*

The most elegant of mints grown on the rolling, green hills of the Shire Highlands of Malawi, these gentle leaves make a remarkably smooth infusion with a delicate softness while still revealing intense layers of flavour. Works particularly well as a digestif.

## **Lemon Blend**

*Sri Lanka, Malawi & France*

A truly global blend. Vibrant lemongrass from Sri Lanka and Malawi has been blended with some soft, smooth French lemon verbena. A full-bodied infusion with grassy notes of fresh hay and the sweetness of lemon drops.

## **Tea Ware**

### **Rare Tea Company Glass Teapot**

This glass teapot is designed to be both strong and delicate, made from special heat-resistant, borosilicate toughened glass. It is perfectly balanced to pour without spilling a drop of precious tea. Dishwasher safe and held in stock.

### **Rare Tea Company Over-Cup Tea Strainer**

Stainless steel over-cup tea strainer with drip cup. Held in stock.

## **Swiss Water Decaf**

*Acatenango, Guatemala*

As a washed Arabica coffee grown at altitudes up to 1830 metres, Guatemala Acatenango encompasses those classic Guatemalan traits - most notably being a sweet, aromatic and well balanced coffee with notes of blood orange, raisins and milk chocolate.

## **Jamaica Blue Mountain – Gold Cup, Grade 1**

*Jamaica*

Regarded amongst the most exquisite and sought after coffees in the world. The Blue Mountain's ideal conditions for growing coffee produce beans which are noted for their floral aromas, mild yet complex flavor, a lack of bitterness and a creamy, almost chocolatey taste.

## **Panama Geisha – Hacienda La Esmeralda Special Auction Grand Reserve**

*Panama*

Up in the mountains of Boquete, Panama, Hacienda La Esmeralda grows the world's most coveted Geisha coffees.
