

### **Forever Picking**

Snacks inspired by the seasons. This stems from my recollection of being in the garden with my mother and picking anything that was edible.

### **The Rule of Three**

The number 3 is a mystical & spiritual number featured in many guises & Folklores. 3 wishes, 3 lives, 3 guesses, 3 little pigs, 3 bears, 3 Billy goats gruff. Therefore 3 snacks will always be better than 2.

### **Just Down the Road**

*Ricotta, Blood orange, Bitter leaves*

Many miles have been travelled, and countless hours have been spent during my ongoing quest to find the very best of British producers to supply Muse with ingredients. We celebrate Old Hall Farm as one of them, because it's just down the road from where I grew up in Norfolk.

### **Making & Breaking**

The comfort and satisfaction I get from making and eating bread stems from a long journey with many memories along the way. To me, it means comfort, satisfaction, sharing, connection, love and of course the joy you receive from the actual eating of bread.

### **Down to Earth**

*Celeriac, Truffle, Mushroom*

I have always been fascinated by this wonderful vegetable due to its simple earthy flavour that is matched by no other. It can reach deep umami bomb flavours, as well as being as light as a butterfly.

## Worth the Wait

*Scallop, Artichoke, Apple*

Scallops grow very fast in their first few years, even increasing by 80%. Some are 4-5 years old by the time they are caught; the extra-large scallops can be up to 20 years! Containing one's excitement for the magic to happen can be tested.

## Never Ending Time

*Cuttlefish, Parsnip, Shiso*

However simple a dish may look, the time it takes to prepare it can go unnoticed. I would always say savour, not devour. Many hours disappear in the preparing and cooking of the squid, and days have been spent perfecting.

## Dear, Oh Lovely Deer

*Venison, Cabbage, Clementine*

These lovely beasts come from Lake District, feeding off the land and roaming around on the rolling hills, which gives them a deeper richer flavour, giving us the best tasting deer.

## Wait And See

When Tom was much younger, he was a little impatient when asking “what’s for dessert?” His mother would always respond wait & see... All I will say is that it is a sweet, seasonal delight!

## Far Too Tempting

*Rhubarb, Custard, Ginger*

A love for sweet & sour stems from some of my favourite childhood treats, including old fashioned fruit salad chew sweets, moon dust, to chewing a stick of rhubarb picked from my mother's garden and dipped into sugar. Nostalgic tastes from the past, turned into something deliciously refreshing.
