

### **Forever Picking**

Snacks inspired by the seasons. This stems from my recollection of being in the garden with my mother and picking anything that was edible.

### **Making & Breaking**

The comfort and satisfaction I get from making and eating bread stems from a long journey with many memories along the way. To me, it means comfort, satisfaction, sharing, connection, love and of course the joy you receive from the actual eating of bread.

### **Down to Earth**

*Celeriac, Truffle, Mushroom*

I have always been fascinated by this wonderful vegetable due to its simple earthy flavour that is matched by no other. It can reach deep umami bomb flavours, as well as being as light as a butterfly.

### **Never Ending Time**

*Cuttlefish, Turnip, Shiso*

However simple a dish may look, the time it takes to prepare it can go unnoticed. I would always say savour, not devour. Many hours disappear in the preparing and cooking of the cuttlefish, and days have been spent perfecting.

### **The Love Affair**

*Pigeon, Bourguignon, Wild Garlic*

France is very close to my heart: I have spent many years in the heart of France, as well as the wine regions of the south and the capital, slowly but surely developing my love affair with food and France. This continued working alongside a few great French chefs, this is an ode to France.

### **Far too Tempting**

*Rhubarb, Custard, Ginger*

A love for sweet & sour stems from some of my favourite childhood treats, including old fashioned fruit salad chew sweets, moon dust, to chewing a stick of rhubarb picked from my mothers garden and dipped into sugar. Nostalgic tastes from the past, turned into something deliciously refreshing.
