

### **Forever Picking**

Snacks inspired by the seasons. This stems from my recollection of being in the garden with my mother and picking anything that was edible.

### **The Rule of Three**

The number 3 is a mystical & spiritual number featured in many guises & Folklores. 3 wishes, 3 lives, 3 guesses, 3 little pigs, 3 bears, 3 Billy goats gruff. Therefore 3 snacks will always be better than 2.

### **Just Down the Road**

*Ricotta, Blood Orange, Bitter Leaves*

Many miles have been travelled, and countless hours have been spent during my ongoing quest to find the very best of British producers to supply Muse with ingredients. We celebrate Old Hall Farm as one of them, because it's just down the road from where I grew up in Norfolk.

### **Making & Breaking**

The comfort and satisfaction I get from making and eating bread stems from a long journey with many memories along the way. To me, it means comfort, satisfaction, sharing, connection, love and of course the joy you receive from the actual eating of bread.

### **It's the Season to be Jolly, not just Christmas!**

*Asparagus*

This is one of the teams happiest times of the year, as asparagus is a real sign that we are coming into an abundance of new seasonal produce and spring is finally here, symbolising new beginnings and the first of the green shoots of life.

Our dishes are cooked fresh to order, in an environment where nuts and shellfish are present.

### **Wild Thing**

*Morel, Wild Garlic, Chicken*

We are fortunate to have very specific seasons in the U.K, this time of year marks the start of the spring season, and the best wild grown produce, when they grow together , eat them together.

### **From Season to Season**

*Monkfish, Elderflower, Parsley*

This dish has the very best produce from the very beginning of the year to almost the end, it shows how fanatical we are about sourcing & preserving.

### **The Love Affair**

*Pigeon, Bourguignon, Wild Garlic*

France is very close to my heart: I have spent many years in the heart of France, as well as the wine regions of the south and the capital, slowly but surely developing my love affair with food and France. This continued working alongside a few great French chefs, this is an ode to France.

### **Wait And See**

When Tom was much younger, he was a little impatient when asking “what’s for dessert?” His mother would always respond wait & see... All I will say is that it is a sweet delight!

### **Pick ‘n’ eat**

*Strawberry, Sticky Rice, Thai Basil*

As a child, I remember the first taste of summer with beautiful, sweet strawberries laid out in long rows ready to be picked, filling your basket as much as you like, or in my case my mouth! Sweet summer memories of family outings are forever embedded, and we hope this dish leaves you with a memorable one with an Asian twist.
