

Forever Picking

Snacks inspired by the seasons. This stems from my recollection of being in the garden with my mother and picking anything that was edible.

Making & Breaking

The comfort and satisfaction I get from making and eating bread stems from a long journey with many memories along the way. To me, it means comfort, satisfaction, sharing, connection, love and of course the joy you receive from the actual eating of bread.

Just Down the Road

Ricotta, Blood Orange, Bitter Leaves

Many miles have been travelled, and countless hours have been spent during my ongoing quest to find the very best of British producers to supply Muse with ingredients. We celebrate Old Hall Farm as one of them, because it's just down the road from where I grew up in Norfolk.

Our dishes are cooked fresh to order, in an environment where nuts and shellfish are present.

From Season to Season

Monkfish, Elderflower, Parsley

This dish has the very best produce from the very beginning of the year to almost the end, it shows how fanatical we are about sourcing & preserving.

The Love Affair

Pigeon, Bourguignon, Wild Garlic

France is very close to my heart: I have spent many years in the heart of France, as well as the wine regions of the south and the capital, slowly but surely developing my love affair with food and France. This continued working alongside a few great French chefs, this is an ode to France.

Pick 'n' eat

Strawberry, Sticky Rice, Thai Basil

As a child, I remember the first taste of summer with beautiful, sweet strawberries laid out in long rows ready to be picked, filling your basket as much as you like, or in my case my mouth! Sweet summer memories of family outings are forever embedded, and we hope this dish leaves you with a memorable one with an Asian twist.
