## Feral - Wine *Alternative*

Born in the heart of the Italian Dolomites, the Feral project is a celebration of freedom, creativity, and nature.

At its core is a humble ingredient: the beetroot. Through meticulous maceration with spices, roots, and carefully selected woods, this simple vegetable is transformed into something extraordinary.

The resulting drinks are complex, balanced, and food-friendly much like fine wines.

The name Feral evokes a return to the wild, free, untamed, and instinctive.

Feral is not just a drink. It's expression. It's freedom.

## ***Salon 2013***

***The original Blanc de Blancs, defined by precision and rarity. Crafted from one grape, one cru, and one vintage, Salon 2013 is only the 44th release in over 120 years.***

***A refined bouquet of white flowers, crushed shell, and fresh ginger leads to notes of baked pear, brioche, and almond. Fine bubbles, creamy texture, and striking acidity culminate in a long, chalky finish with the signature salinity of Le Mesnil***

***£ 250 By the Glass***

Please notify your server of any allergies or dietary restrictions. All prices listed are GBP, inclusive of VAT and subject to a discretionary 15% service charge. Wines by the glass are all available in 125ml measures, with the exception of sweet & fortified which are 75ml.

## LA GRANDE DAME

£ 210

For centuries, the wine world was dominated by men. It was not until the late 20th century that women began stepping into roles previously closed to them.

What followed was a story of resilience, innovation, and transformation. Through perseverance, creativity, and leadership, women have built a powerful community that continues to reshape the wine industry.
