

Forever Picking

Snacks inspired by the seasons. This stems from my recollection of being in the garden with my mother and picking anything that was edible.

The Rule of Three

The number 3 is a mystical & spiritual number featured in many guises & Folklores. 3 wishes, 3 lives, 3 guesses, 3 little pigs, 3 bears, 3 Billy goats gruff. Therefore 3 snacks will always be better than 2.

Just Down the Road

Ricotta, Tomato, Courgette

Many miles have been travelled, and countless hours have been spent during my ongoing quest to find the very best of British producers to supply Muse with ingredients. We celebrate Old Hall Farm as one of them, because it's just down the road from where I grew up in Norfolk.

Making & Breaking

The comfort and satisfaction I get from making and eating bread stems from a long journey with many memories along the way. To me, it means comfort, satisfaction, sharing, connection, love and of course the joy you receive from the actual eating of bread.

All the Way from Rio

Bream, Corn, Brazil Nut

I had a fortunate time earlier this year with my chef friend Alberto Landgraf from Oteque in Rio de Janeiro, we ate and tasted exquisite food and produce. So we decided to bring a bit of Brazil with us back to London.

Our dishes are cooked fresh to order, in an environment where nuts and shellfish are present.

Dazzling New Heights

Scallop, Cherry, Almond

One can say that we are always trying to reach new heights of perfection & consistency each day. The heights in this dish come from scaling the cherry tree for the blossoms that season it. The lengths we go to just for flavour is always worth the journey.

Simple is Never Easy

Turbot, Courgette, Rose

However simple a dish may look, the time it takes to prepare it can go unnoticed. Hours can disappear in preparing and cooking, yet it can take seconds to eat, so always savour, not devour, this labour of love.

Keep it in the Family

Guinea Fowl, Peach, Beans

The very first time I ate this dish was at my mother in law's home in the sunny foothills of Provence over 15 years ago. It looked like a very simple dish but the combination of flavours from the peach, Beaume de Venise and guinea fowl was incredible. It's a secret family recipe and one that I am very glad to have...

Wait And See

When Tom was much younger, he was a little impatient when asking "what's for dessert?" His mother would always respond wait & see... All I will say is that it is a sweet delight!

Angel Delight

Raspberry, Meadowsweet, Honey

Raspberries are my favourite berry by far, and as a child I was lucky enough to have them growing in our garden. We would pick them as soon as they were ripe, then beat them with double cream and a sprinkling of the very nostalgic 70's dessert of the decade, Angel Delight, which was absolute heaven!
